

Purdue University Workshop for Career Teachers and Counselors: *Computerized Tools and Curriculum for PCC*

Tuesday, July 31, 2018 • 8:30—4:30
Purdue Memorial Union, Purdue University

Data Visualization Tool
Showing optimal pathways through college that match the abilities and goals of your students.

Data Sources
All information sourced from graduating college students and combined with national datasets.

Preview of New Academia Prehistoria Game
A physics experiment gone wrong has resulted in cavepeople flooding the local college campus through a time portal. Can your students successfully guide them through college and into careers, or will the cavepeople become frustrated and destroy the campus?
