

FULL-TIME MBA

Full Time MBA

The Full-Time MBA program will help you develop analytical and technical skills along with global strategic leadership capabilities to lead in our technology-driven world. This program will immerse you in learning through dynamic coursework, leadership portfolio development, consulting projects and study abroad opportunities. The full-time MBA offers 14 functional and interdisciplinary specialized option areas. These option areas enhance students' skill-sets in specific business areas, while increasing marketability with employers.

"The smaller classes helped me develop relationships with the faculty and my classmates, which was a benefit to me both inside and outside the classroom. Krannert was the best fit for me because of the rapport I was able to quickly build with alumni, faculty and students."

Deron Leslie, '17 MBA, Intel
