

ABOUT DANIELS SCHOOL PATHWAY PROGRAM

In as little as 12 months after earning your undergraduate degree, you can earn your master's degree through the Daniels School Pathway Program. During the program, you will improve your technical skills, enhance your communication skills and strengthen your leadership abilities. By recognizing the motivation and dedication of rising undergraduate students, the Daniels School Pathway Program offers a unique advantage. As a result, these students benefit from waived application steps, simplifying the process and supporting their academic goals. Programs include MS Accounting, MS Business Analytics and Information Management (MSBAIM), MS Finance, MS Global Supply Chain Management (MSGSCM), MS Human Resources Management (MSHRM) and MS Marketing.
