STUDENT SPOTLIGHT

“ I still have touch points with other people in the program and with the professors, which has been very helpful. One of the aspects that I really liked was getting to know other students through group assignments. Everyone’s background is diverse, but I was able to develop relationships with classmates from across the country.”

SUCCESSFUL

STUDENT ATTRIBUTES

TRUE GRIT

Daniels School students unlock their full potential during their academic journey. Challenges reveal the mettle of a Boilermaker. Our students are tenacious and can be relied upon to see a job through, all while balancing their studies, work and family life.

PIONEERING SPIRIT

At the heart of Purdue University is a passion for discovery, fueled by an entrepreneurial spirit. Daniels School students blaze their own paths, never settling for the status quo.

INITIATIVE

We look ahead and forever move forward. Daniels School master's students apply classroom learning and newly developed skills to their professional development plan and their workplace, creating value for themselves and their companies long before graduation.

THE "IT" FACTOR

Moxie? Check. Magnetism? Check. Charisma that demands attention? Check.

ENRICHING CONTRIBUTOR

Daniels School students enrich the school and their cohort, elevating the learning experience for all. Here, diversity transcends ethnicity or gender into realms of thought, industry and academic background.

EMOTIONAL INTELLIGENCE

Great leaders communicate effectively and with great empathy. Daniels School students are great leaders in training who learn to manage themselves and their relationships with self and social awareness, upping their Emotional Intelligence Quotient (EIQ).

PROBLEM-SOLVING SKILLS

At the Daniels School of Business, we roll up our sleeves and dig deep into a problem. Success requires us to approach questions from a variety of angles, combining a solid academic foundation with a flair for the creative. And we are successful.

STUDENT SPOTLIGHT

"The curriculum provided a great foundation of advanced business courses and electives that allowed students the ability to explore several areas of interests."

FACULTY HIGHLIGHT

AMY DAVID

Clinical Assistant Professor of Management, Supply Chain Management

BS, General Engineering, University of Illinois at Urbana-Champaign, Urbana, IL
MBA, Lake Forest Graduate School of Management, Lake Forest, IL
PhD, Industrial Engineering and Operations Research, University of Illinois at Chicago, Chicago, IL

"Purdue University's Online MS Global Supply Chain Management program is designed for those looking to advance their supply chain careers or established professionals pivoting into the field. Our curriculum is aligned with emerging industry trends and courses are taught by supply chain experts. The program allows students to pursue their studies at their own pace. The program also offers different paths of focus, with courses emphasizing the technical and analytical aspects of supply chain as well as classes for those inclined toward leadership."
