HALL

DCMME FALL CONFERENCE

Join us to hear leading executives and corporate sponsors provide an informative Operations Management & Manufacturing Management seminar on "Smarter Manufacturing." Register, view speaker bios and agenda at gscmi.org (*Registration required limited seating*)

POSTER COMPETITION

What is it?

Prepare a 22" x 27" poster-board containing pictures, graphs, PowerPoint slides, text or examples that describe your 2015 summer internship experience.

Multiple one-on-one "2-3 minute elevator pitch" with groups of conference industry judges to share your internship work, methods and conclusions, and value to you & the company.

Who can participate?

Separate Undergraduate & Graduate Competitions. We welcome entries describing all summer internship experiences in manufacturing or service firms, or where the work can be tied back to your education in management, operations management, or supply chain management.

IF YOU CAN DO THAT WITH YOUR SUMMER INTERNSHIP, YOU ARE IN!
