ALUMNI SPOTLIGHT

“ I decided to study at Krannert not only because of the excellent reputation, but also because of the high-quality programs and professors, and the international environment. The benefits of the Krannert Professional Development Center make the school stand out as well.”

JOHANNA BING
MS ACCOUNTING '17
Senior Assurance, Audit Services

SUCCESSFUL

STUDENT ATTRIBUTES

TRUE GRIT

Krannert students unlock their full potential during their academic journey. Challenges reveal the mettle of a Boilermaker. Our students are tenacious and can be relied upon to see a job through, all while balancing their studies, work, and family life.

PIONEERING SPIRIT

At the heart of Purdue University is a passion for discovery, fueled by an entrepreneurial spirit. Krannert students blaze their own paths, never settling for the status quo.

INITIATIVE

We look ahead and forever move forward. Krannert master's students apply classroom learning and newly developed skills to their professional development plan and their workplace, creating value for themselves and their companies long before graduation.

THE "IT" FACTOR

Moxie? Check. Magnetism? Check. Charisma that demands attention? Check.

ENRICHING CONTRIBUTOR

Krannert students enrich the school and their cohort, elevating the learning experience for all. Here, diversity transcends ethnicity or gender into realms of thought, industry, and academic background.

EMOTIONAL INTELLIGENCE

Great leaders communicate effectively and with great empathy. Krannert students are great leaders in training who learn to manage themselves and their relationships with self and social awareness, upping their Emotional Intelligence Quotient (EIQ).

PROBLEM-SOLVING SKILLS:

At Krannert we roll up our sleeves and dig deep into a problem. Success requires us to approach questions from a variety of angles, combining a solid academic foundation with a flair for the creative. And we are successful.

ALUMNI SPOTLIGHT

“The education you get prepares you very well for the CPA exam, there are real-world experiences that are not available at other schools, and there is an abundance of resources available to help you during your time at Purdue as well as after you leave.”

FACULTY HIGHLIGHT

TROY JANES

Clinical Full Professor of Management

PhD, Accounting, University of Michigan
BA, Accounting, Utah State University
CPA, Pennsylvania

“Our master's in accounting program is designed for aspiring accounting professionals who want to get the most out of their career. As faculty we work closely with firms to develop and continuously innovate our curriculum and experiential opportunities. Incoming students should expect a degree of escalated rigor but also substantial support from faculty, staff, and fellow students.”
