Krannert Undergraduate / Master of Science in Human Resource Management (MSHRM)

This Combined Degree program will provide high-achieving students in the Krannert School of Management an opportunity to accelerate their education and allow them to enter the Human Resource Management profession with solid preparation for their academic success. Students will build on a strong foundation of coursework and opportunities in Management by adding Master’s classes in organizational behavior and human resource management, and management courses in marketing, accounting, finance, strategic management and operations management.

Requirements:

- Completion of 108 credit hours of coursework by the end of the junior year, including completion of MAI Core, Foundations courses; University Core requirements and international electives, upper division courses except for specified substitutions; concentration courses for Management and Industrial Management students
- Have a minimum 3.7 GPA (3.5 GPA with strong leadership and internship experience will be considered)
- Completion of at least one professional internship
- Demonstration of leadership potential through extra-curricular activities
- Have met with academic advisor in the Krannert undergraduate advising office

Program Notes:

- The MBA and Master’s Programs office will hold callouts for students in the freshman, sophomore, and junior years to help them prepare for expectations into the program and to explain the admissions process. Students should set up a meeting with the Krannert Master’s Programs Office so their readiness to enter master-level coursework can be ascertained and credit hour requirements may be reviewed.
- Students who are encouraged to apply will complete the Graduate School application in early spring of their junior year. Admissions decisions will be made in time for them to complete plans for the upcoming year.
- The BS/MS HRM Combined Degree Program requires 48 credit hours of Master’s level courses be completed in three semesters. Any Master’s level courses completed prior to enrollment cannot be used to meet course requirements of the combined degree.
- A minimum 3.0 GPA is required to receive the M.S. degree.

“It's a great opportunity for you to finish your undergraduate and master's degree in a quick but efficient way. One of the reasons I chose the program was because it allowed me to combine my degree but also learn from my peers both at the undergraduate level as well as the graduate level.”
