Program Highlights

- Flexible 100% online program that can be completed during Summer.
- Courses taught by the same faculty members teaching MBA and Master's programs at the Krannert School of Management.
- A non-degree certificate designed for students who wish to acquire soft management skills to enhance their resume and success at work.
- Upon completion of the program, students will gain a broader knowledge on how to effectively respond to managerial changes within an organization, visualize data, and navigate through challenges in consulting with practical tools and concepts.

Curriculum (6 total required credit hours)

- Change Management (2 credits)
- Business Storytelling with Data (2 credits)
- Consulting Tools and Skills (2 credits)
