

ONLINE

Online MSHRM

Purdue University's Online Masters in Human Resource Management (MSHRM) program is targeted towards working professionals seeking to advance their careers by developing HR knowledge, skills and abilities. The program is designed by the same faculty members from our top-ranked in-residence MS Human Resource Management program and students can complete the degree from anywhere, at any time, on their time with high flexibility in the pacing and sequencing of the proposed courses. The program ensures that students develop skills to work in cross-disciplinary teams and across functional boundaries. Students will be prepared to pursue a variety of career paths including HR, Organizational Effectiveness, Organizational Design, and Change Management upon completion of the program.

Program Highlights

- Study when it's convenient. Learning online gives you the flexibility you need to earn a degree without affecting your family or career responsibilities.
- Courses are developed and taught by the same esteemed faculty from Krannert's top-ranked in-residence MSHRM program.
- The program offers classes from Krannert's MBA and MS programs in addition to the HRM offerings.
- The program offers a strong core of HR content in areas such as Human Capital Strategy, Talent Acquisition, Talent Management, Compensation & Rewards, HR Analytics, and Human Capital Consulting.
- A complementary set of Organizational Effectiveness courses in areas such as Organizational Behavior, Leadership, Negotiations, Change Management is available.
- Students may supplement HR specific course work with free elective courses such as Business Analytics, Microeconomics, Macroeconomics, and Data Visualization & Persuasion.
- Career support services such as mentoring and resume review are provided by the Krannert Professional Development Center.
- Students have access to a success coach who provides study skills and time management development as well as stress management coaching.
